The system asks you to connect to your Metamask wallet.

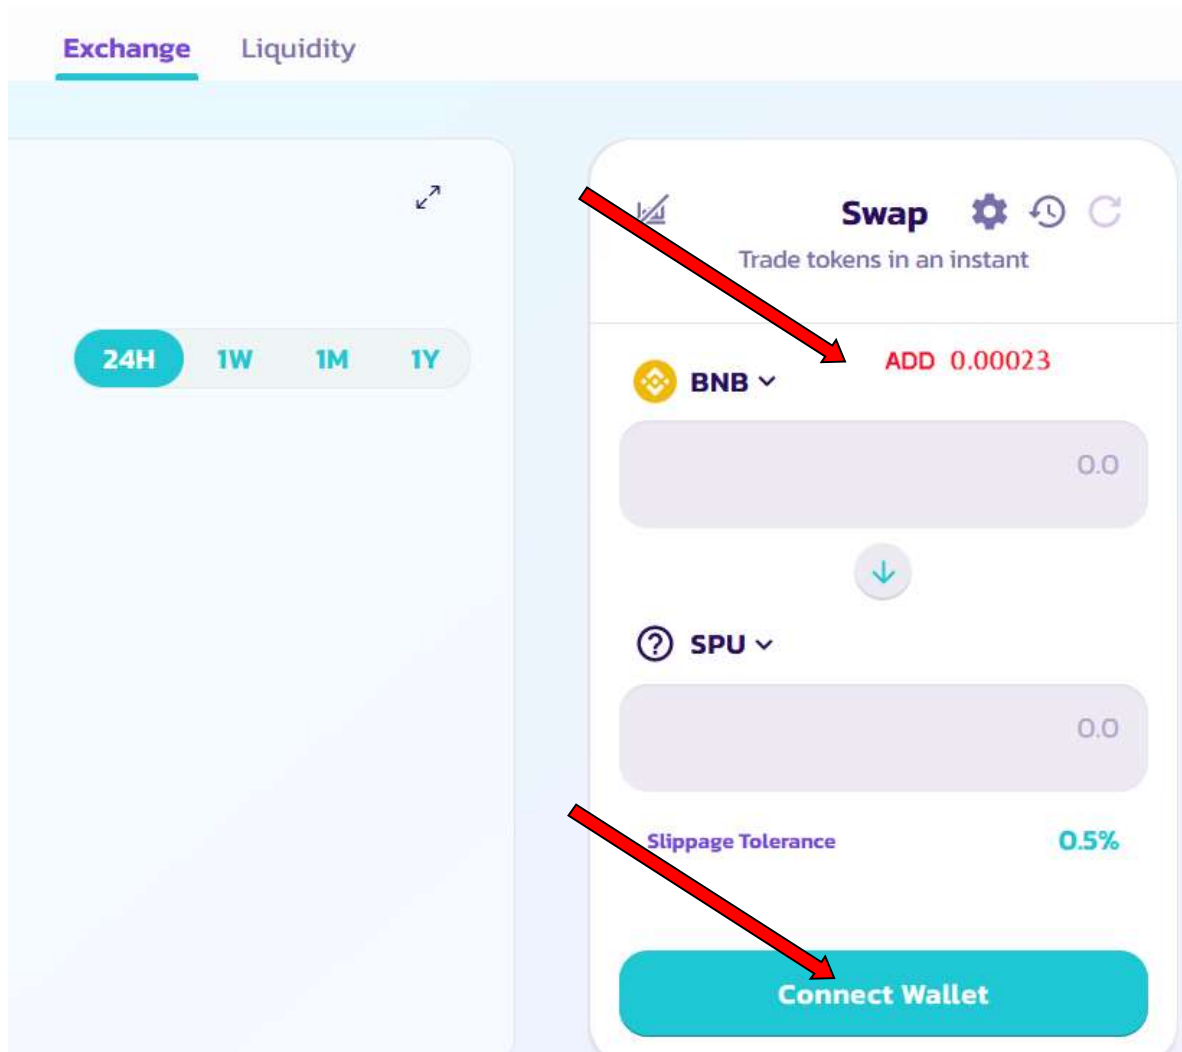

PLACE IN THE BOX THE CONTRACT ADDRESS OF (SPU)

0x9f999c743c4a1dcd95d8bfbca281fcc24677abcb

AND CLICK ON IMPORT

STEP 5

To Swap BNB to SPU you add 0.00023 behind BNB and click on the arrow to SPU. You have your Metamask account open all this time.

Now you open your Metamask Wallet and confirm the transfer from SPU to your account.

In Metamask you might have to add the Token. Go to Add Token, Custom Token and add 0x9f999c743c4a1dcd95d8bfbca281fcc24677abcb
