

Steps you can buy SPU+ Crypto

Spurt+ Crypto is a community coin. To make use of the possibilities of SPURT + one must therefore first become a member of Sound Prosperity:

Below is the link where you can register for free:

<http://soundprosperity.org/sp-membership>

This Step must be done to be able to buy SPU+. Follow instructions and make sure to have your sponsor name and spurt account number available.

The screenshot shows a web browser window with the address bar displaying "soundprosperity.org/sp-membership". The page features the Sound Prosperity logo at the top, which consists of a stylized wave and the text "SOUND PROSPERITY". Below the logo is the tagline "Engage in commerce to create opportunities based on capital, not on debt." A search bar and a "Membership" link are also visible. A navigation menu includes links for Home, SP Membership, SPURT Jobs, SPURT, Prosperity Centers, SP Social Org., Projects, SP Teams, Lifequest, and Updates. The main heading is "FREE Basic Application for a Sound Prosperity Membership". The text below explains that users can apply for a Sound Prosperity Membership and that their Membership number will be their MySPURT account number. It also mentions that there is no login interface at the moment. A red asterisk indicates required fields.

The screenshot shows a web browser window with the MetaMask extension interface. The address bar shows the URL: `chrome-extension://nkbihfbeogaeaoehlefnkodbefgpgknn/home.html#initialize/backup-phrase`. The page features the MetaMask logo (a colorful circle) and the title "Secret Backup Phrase". Below the title, it explains that the secret backup phrase is used to back up and restore the account. A warning states: "WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever." A large grey button with a lock icon and the text "CLICK HERE TO REVEAL SECRET WORDS" is prominently displayed. Below this button is an orange "NEXT" button. To the right, under the heading "Tips:", there are three pieces of advice: 1. Store the phrase in a password manager like 1Password. 2. Write the phrase on a piece of paper and store it in a secure location, or on multiple pieces of paper in 2-3 different locations. 3. Memorize the phrase. At the bottom of the tips section, it says "Download this Secret Backup Phrase" and "keep it stored safely on an external encrypted hard drive or storage medium." The browser's taskbar at the bottom shows the Windows logo, a search bar, and various application icons, including Chrome, Mail, and Photos. The system clock in the bottom right corner indicates 9:10 AM on 8/24/2018.

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

You have to have some ETHER too

- In the Ethereum System, Ethereum is earning on each transaction that you make.
- You cannot transfer SPU+ from one account to another without paying a bit Ether to Ethereum.
- For that reason you need to buy Ether, also if you want to SELL your SPU+ to an exchanger.
- Below you are expected to buy some Ether. That can be only 10 Euro.
- You can also buy for 100 Euro and transfer to your whole downline just 5-10 USD or EURO
- The reason one might do that is that you, this way, safe transfer costs to Coinbase.
- HOW you work in Coinbase will be explained in another Tutorial

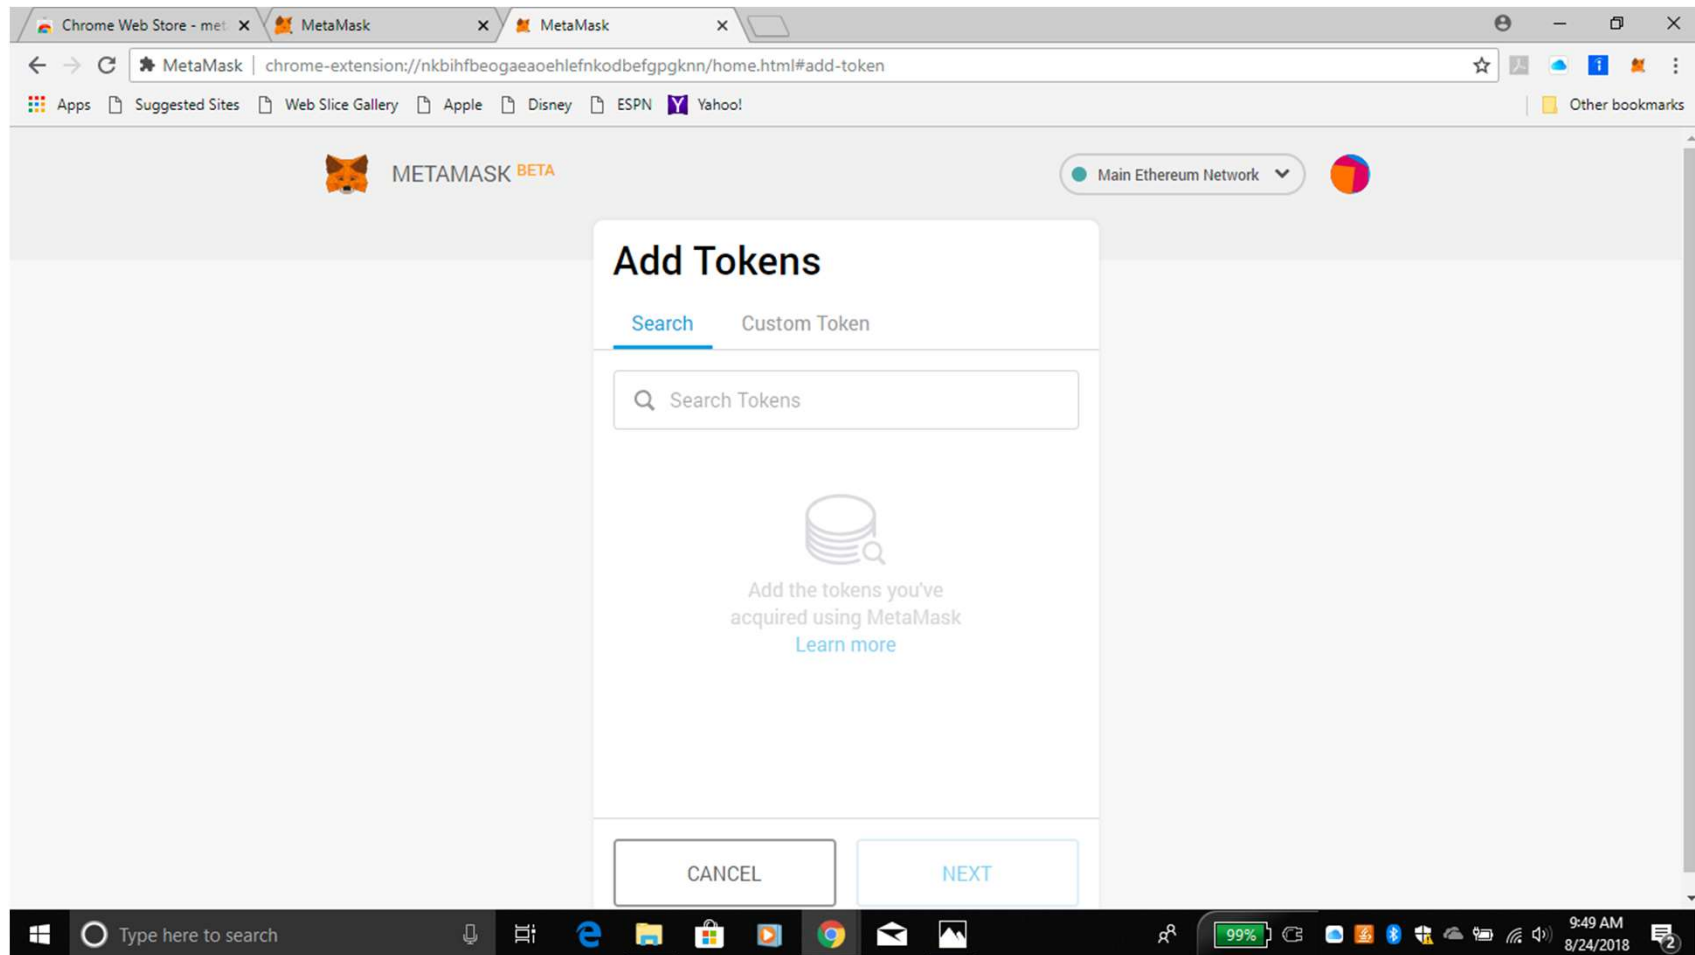

Deposit Ether (Ethereum) Follow the instructions on the option of your choice. Coinbase might be the easiest for beginners. You can use this link. <https://www.coinbase.com/join/5a676b438b9b6203ad3314c4>

Now you have created an account and you can add SPU+ token symbol to your wallet. Click on Add Token.

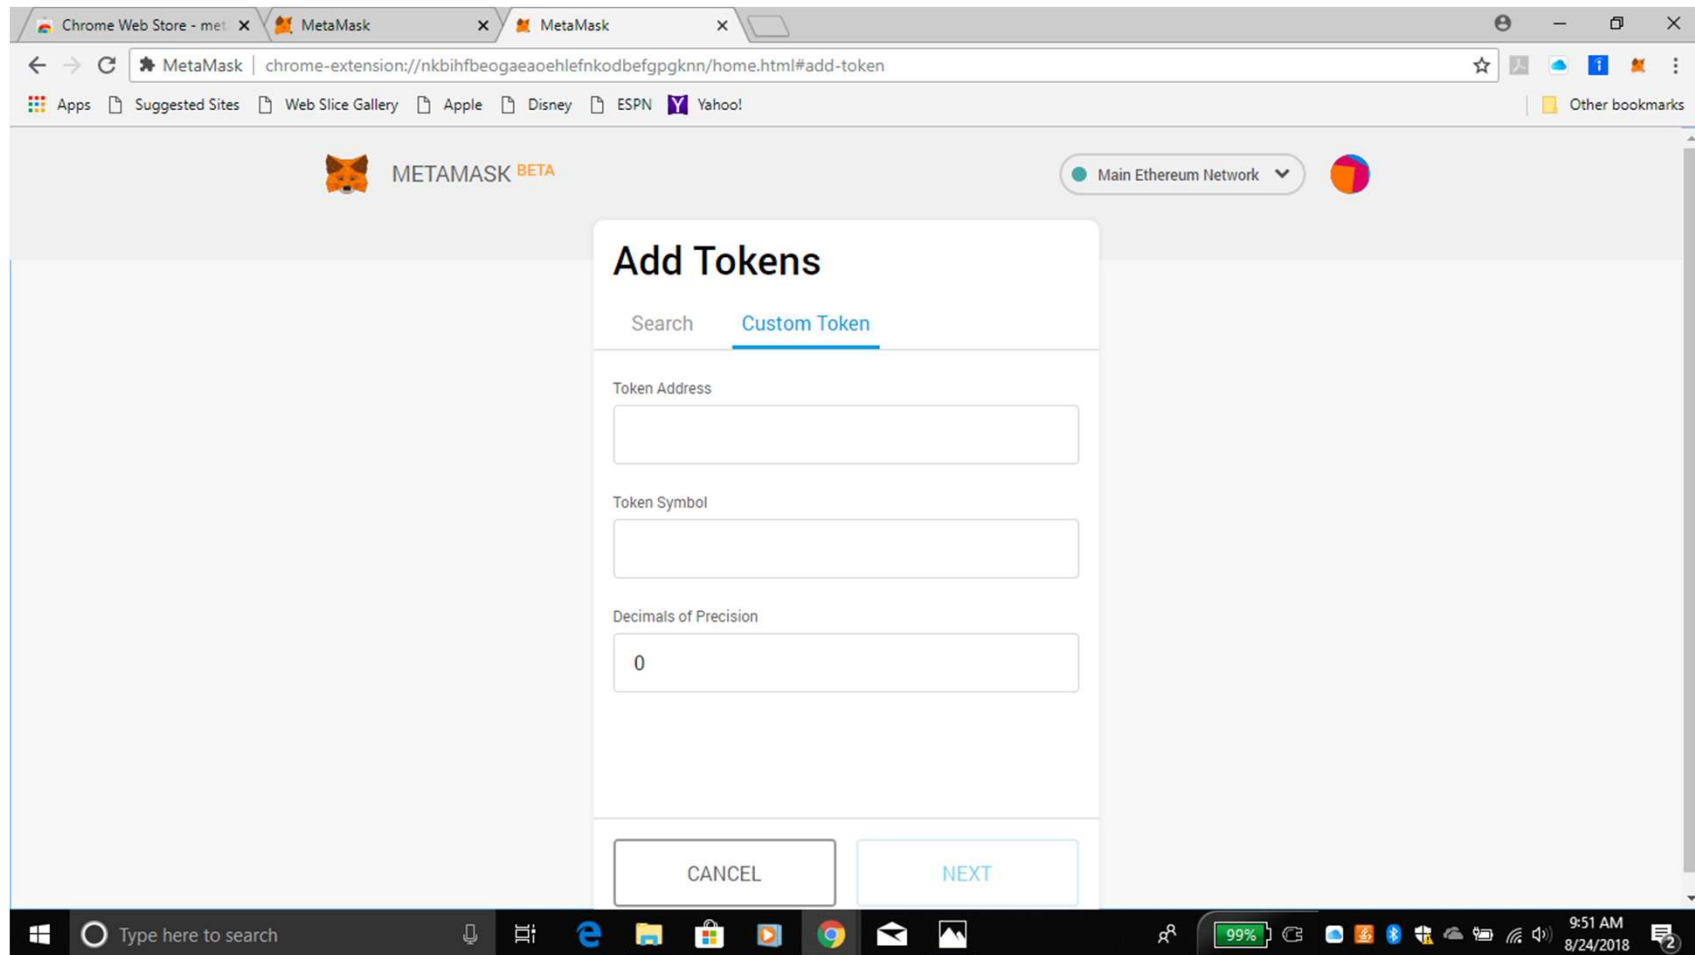

Click on Custom Token

Copy and Paste the SPU+ Token Contract Address in the box.

You should now see your SPU+ Token Symbol. Now click again on Add Token to get back to your Home Screen.

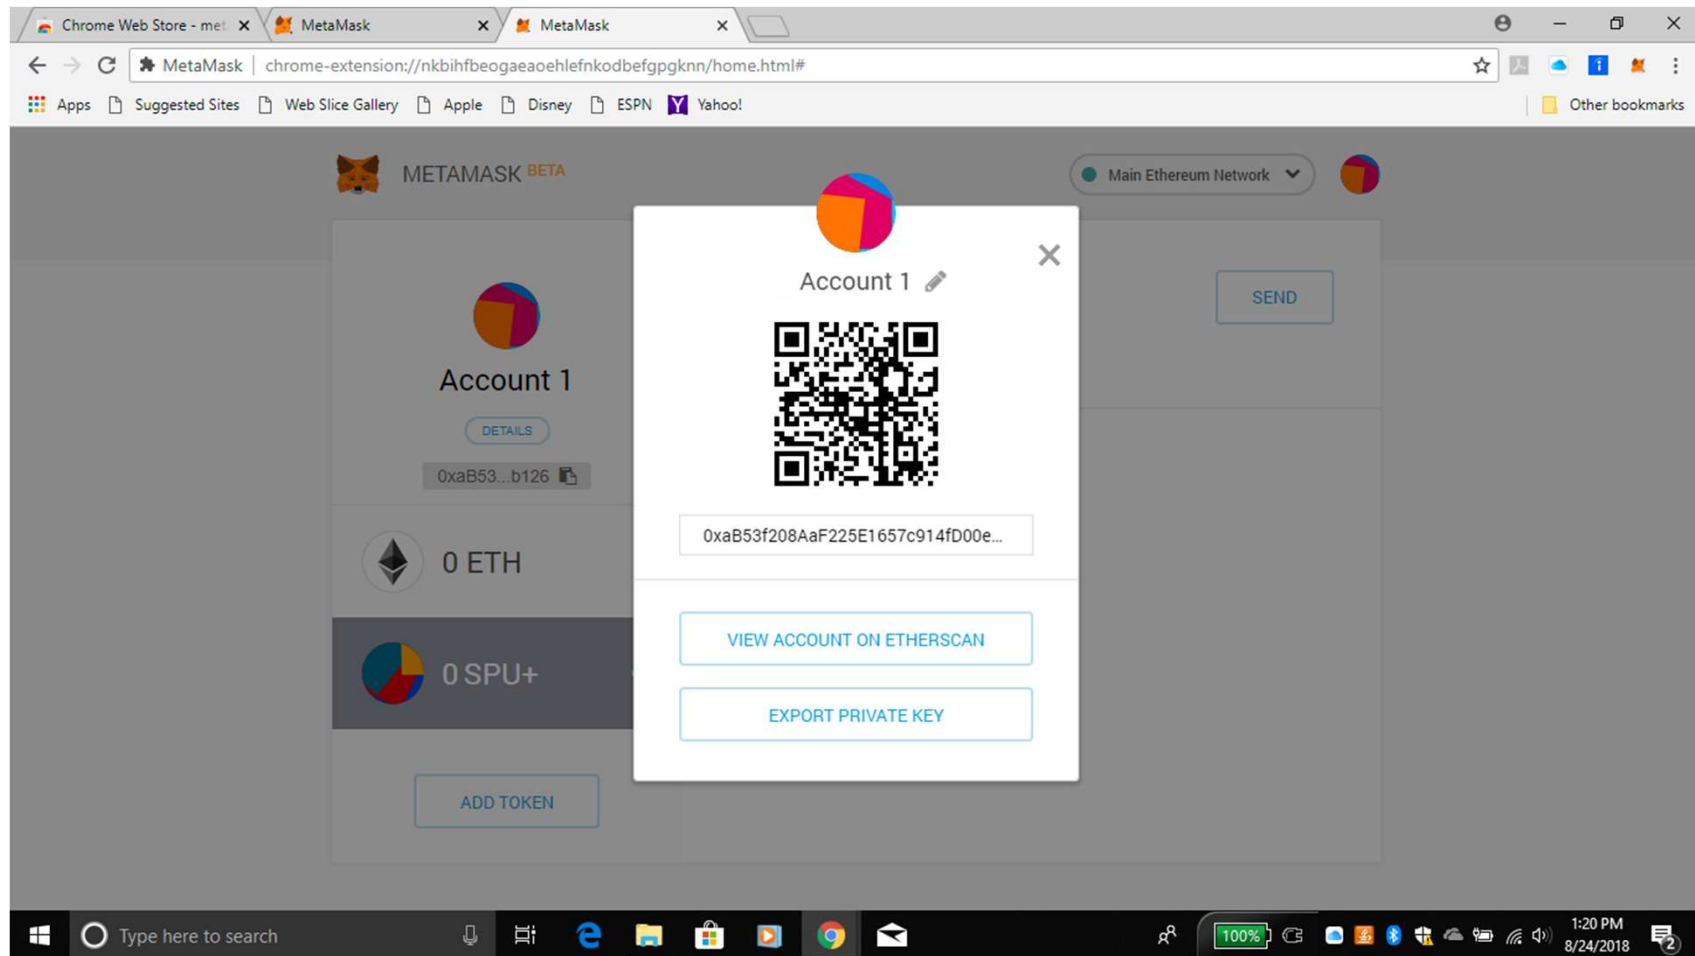

No SPU+ yet

- In case you directly bought some Ether, you will see now in your account the Ether you have bought and below it the value in USD
- The fees to pay in Ether is not always the same. But in general, it is not that high.
- You will see SPU+ on your account after SPU+ is transferred to your account, within at the most one week after you completed the other steps, like the Sound Prosperity Membership and the Agreement.

Click on details below Account 1 to view your account address. You can also click on your colors

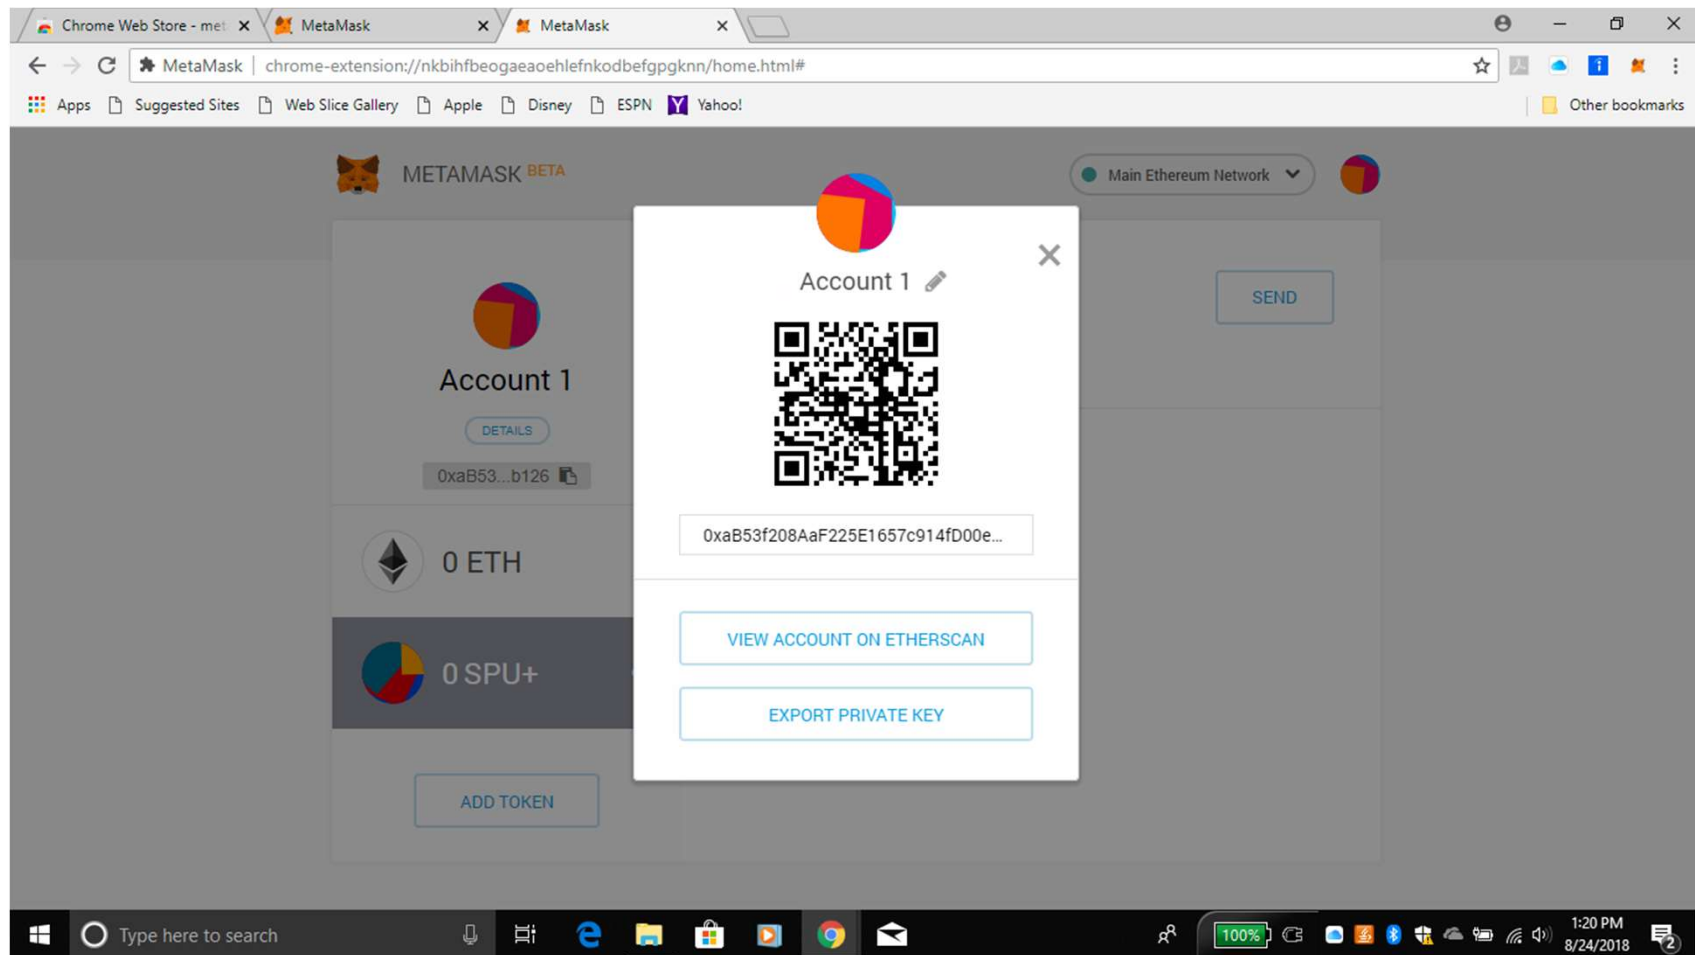

You will see your wallet address and you can Click
View on Etherscan to view it as well.

ANOTHER SAFETY OPTION

- Below the QR code and your Cryptoaddress, which you copied already on your backup document, you see: EXPORT PRIVATE KEY
- This Private Key gives you the option to always find your account.
- It is a long encrypted series of numbers and characters.
- You now export your Private Key and SAFE IT to your backup document.

You go back to the QR code and click on View on Etherscan. Etherscan shows all transactions on your account and on any other transaction that takes place in Ethereum

You will find your wallet address here as well. This is the address that you will put on your Agreement for SPU+.

The screenshot shows a web browser window with the Etherscan website. The address bar displays the URL: <https://etherscan.io/address/0xab53f208aaf225e1657c914fd00e614e57fbb126>. Caution!!!!!!

- BE CAREFUL WITH THE HANDLING OF THIS WALLET ADDRESS and only GIVE it to people who want to TRANSFER something to your account. Nobody can enter your account with this address only!
 - NEVER pass on the Private Key to anyone, UNLESS you can trust that person 100%, which is less common as you think!!!!
- NO ONE needs to know YOUR SEED WORDS or your Private Key, but YOU do, because you could lose access to your account and your Seed Words or Private Key will allow you to recover your account.
- That is ALSO a reason that you might NOT want help of others by setting up this account.
- When others have your information, they have access to your money!
- The Seed Words to your Metamask account and the Private Key allows access through other means.

STEPS TO TAKE

- For you to get SPU+ on your Metamask account, you have to sign an Agreement to provide your account information to Admin so that they know what your Crypto SPU+ Address is.
- You will also have to sign a contract to guarantee that you respect the VALUE of SPU+
- This way we can keep SPU+ stable and not, like for example Bitcoin, subject to speculation.
- We will provide information on exchange and on how to use Coinbase in different video's.

Link for Agreement for SPU+ <http://myspurt.org/spurt,-crypto-spu/agreement-for-spu>. Metamask wallet address will need to be entered on this agreement.

How to handle your account

- When you login to your account again, you will notice that your account disappears and is just small on the right hand side of the screen. When you click on the little square at the right hand top it will enlarge your screen AND STAY large during the time you work on it.
- For Problems you might experience, and you WILL experience them, please go to

<http://myspurt.org/information/tutorial/metamask-account>

Here you can also find how you can work with your account.

YOUR METAMASK ACCOUNT ALWAYS NEEDS TO BE OPEN WHEN YOU WANT TO EXCHANGE YOUR SPU+ THEY ARE CONNECTED.

Thank you for setting up your Metamask account and join us on the Crypto SPU+ journey!
